## A Prayer for Long Life for His Holiness Trulku Jigme Choedrak — the 70th Je Khenpo of Bhutan

OM SVASTI

Born from the oceans of compassion of all the Buddhas,  
Like the thousand rays of an autumn moon  
Fully blossoming the lily flowers,  
Your three mystical enlightened activities  
Illuminate the teachings of the Buddha.  
Ngawang Jigme Choedrak!  
May you live long!

Unravelling the essence of the vast and profound teachings  
Of sutra and mantra;  
Your teachings  
Of the generation stage and of the perfection stage,  
Skilfully mature and liberate a plethora of fortunate disciples,  
Just as a stream of nectar nourishes an assembly of bees.  
Ngawang Jigme Choedrak, oh, spiritual master!  
May you live long!

Through the power of the truth  
Of our supplications and prayers,  
May you remain firmly on the indestructible throne —  
Oh, great protector!

As the crown ornament  
Of the Dharma and of all sentient beings,  
May you continue to turn the wheel of Dharma for eons.  
We so supplicate!
